

There's a special joy in getting our hands dirty when it helps keep our land beautiful.

One out of every three acres of America's land – 600 million acres – is public land, your land. Lands where you can hike, bike, climb, swim, explore, picnic or just plain relax. And when you get your hands dirty in programs like National Public Lands Day, you help spruce up your beautiful lands. Last year on this day, nearly 80,000 volunteers built trails and bridges, planted native trees and removed trash.

To find out how you can help, go to www.publiclandsday.org or call 1-800-VOL-TEER (800-865-8337).
