Solutions

1. When at first you don't succeed, try again
2. When the going gets tough, the tough gets going
3. Rome was not built in one day
4. If at first you don't succeed, destroy all evidence that suggests you tried
5. The road to success is always under construction
6. If all else fails, manipulate the data
7. If at first you don't succeed, redefine success
